

Opportunities for Greater Depth/Challenge

Use of census materials and research to complete in-depth report of living conditions for the poor.

Debate: Should workhouses exist today?

Inheritance: design a new breed of dog - inherited traits/genes from parents, personality, appearance.

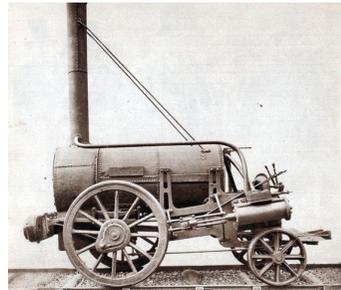

Enquiry

TASC wheel: Rich/poor investigation (*compare, contrast, explain, analyse, debate, examine*)

TASC: inventions (*create, invent, design, justify, assess, evaluate*)

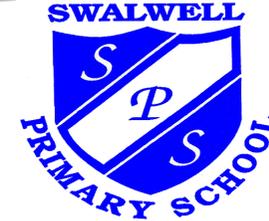

Mantle of the Expert: Establish a workhouse: local factory has closed down. Create landscape/town plan; plot location of workhouse; investigate food - costings; size of workhouse; how will they make money - jobs; cameo of families.

Cholera outbreak in town: how will they contain it?; causes; effects on families;

Outcomes and Impact

THE LAMBETH WALK

Autumn 1

Overview

Study of Victorian period : chronology, literature, life of rich/poor

Eng

Short Stories—some with Victorian theme.

Debate - Should Workhouses Exist Today?

Biography/Autobiography/Diary

Class Novel: Street Child

Maths

Victorian census: Statistics - reading tables, drawing graph, interpreting data, population, infant mortality

Computing—E-Safety

Victorian report. Children plan an investigation.

Present findings to others
