Early Years have Healthy Teeth

On Monday Early Years received an exciting visit from Melanie, a representative from the Dental Health Team! They split into teams and enjoyed listening to stories, joining in with songs, sorting healthy and unhealthy foods and even dressing up as dentists and helping to give Henry the horse a healthy teeth check up. We all thoroughly enjoyed ourselves and are very excited to begin filling out our special hygiene charts at home. Remember those children who brush their teeth morning and night and return their filled out special chart to share with their friends in class will receive a celebratory certificate in school.

Early Years Toy Sale

We have recently had a spring clean in Early Years and have a surplus of unused toys. Instead of throwing away toys which are still in a good condition Early Years staff will be holding a toy sale in the school hall on Wednesday 18th April from 8am to 10am.

Capacity Crazy

On Tuesday in year 1 we were learning how to measure capacity. We started by measuring in spoonful's and then we moved on to learning about litres. We predicted which container would hold more water and compared them through measuring. We now know that taller containers do not always have a greater capacity. By Mrs Leaver

Maths Fun

During the holidays you can still practise your maths skills. Use your username and passwords to log onto the sites below. You will find some work set for you to complete and you can also explore and complete some work for yourself. <https://www.mangahigh.com/>

Nursery Applications

We are now taking applications for our Nursery. Sign up your 1-3 year olds to start the term after their 3rd birthday Please collect an application form from the school office to secure your child's place.

Easter Competition

Dear Children and Parents, We have been overwhelmed by the enthusiasm and creativity demonstrated by the entries for the Easter Egg Competition. The entries were so outstanding the competition was extremely difficult to judge. Every child who entered the competition has been awarded with a cream egg. The individual class winning entries received a full size Easter egg. Class winners are as follows: Early Years – Amber Lennox Year 1 – Dean-John Elvin Year 2 – Layton Steele Year 3 – Jayden Gibson Year 4 – Honey Wright Year 5 – Reece Wardle Year 6 – Lacey Irving Amazing and imaginative work. Photographs of eggs can be viewed on the school website www.swalwellprimary.org Thank you Mrs Smith.

Early Years Farm Visit

On Wednesday Early Years visited Hall Hill Farm. They enjoyed lots of fun activities whilst there and saw lots of different animals including pigs, llamas and highland cows They fed goats, hens and lambs by hand. Everyone enjoyed a tractor ride around the grounds of the farm. The children held a variety of animals including chicks, rabbits and guinea pigs. After a busy day visiting, feeding and holding animals the children enjoyed an ice lolly and playing in the soft play which was also based on the farm.
