

Welcome to Year 3

In Year 3 you will be taught by Miss Foster.

In Year 3 we will continue to build independence, positive relationships and a love of learning through exciting topics and visits! Mrs Hall will be working with us some of the time.

I am really lucky that I get to transition with you into KS2 and spend another year teaching you in Year 3. You all know me, I like spending time with friends and family, travelling to different countries, eating cake and drinking coffee! I am looking forward to spending another great year with you all and having lots of fun!

Transition dates are the mornings of Wednesday 3rd and Thursday 4th then all day on Friday 5th July.
