

Recovery Expenditure – Planned Expenditure 2022-23

This academic year, school will receive **£5478.50** for Recovery Premium

<u>Desired Outcome</u>	<u>Action</u>	<u>Rationale</u>	<u>Area of School</u>	<u>Expenditure</u>
A greater proportion of children will be able to access Early Years curriculum.	Nursery and Reception taught as two discrete classes despite low numbers. High staffing ratios deployed across the phase. Both Nursery and Reception are supported by teachers.	Baseline shows children enter setting lower than their chronological age.	Early Years Oracy, social and emotional development; physical development & well-being.	£1478.50
A greater proportion of children will be working at ARE in: Reading Writing Number	Small classes for core learning to be deployed across UKS2 to enable high quality teaching and targeted wave 1 precision support.	Children receive high quality wave 1 teaching in age-appropriate classes as opposed to mix age teaching.	KS2 Key focus areas for school are: Maths	£1000
	HLTA deployed across UKS2 to enable keep up provision	HLTA able to support learners and work alongside class teacher to deliver pre and post teach initiatives.		£1000
Families are supported emotionally and financially.	Family support worker FTC extended to work with families. Family learning groups to be planned and delivered through school to help support families social, emotional and financial wellbeing.	Families are financially secure. Families who demonstrate financial hardship are supported and signposted to relevant agencies. Children are more content in school.	Whole school initiative.	£1000
Children have positive attitudes for learning.	Financial rewards for classes with the most marvellous me merits. End of term rewards.	Children are extrinsically and therefore extrinsically motivated to learn. This results in an increased level of attention and behaviour for learning.	Whole school initiative.	£500
All children to attend school to ensure they are able to reach their potential.	Weekly attendance shared with families to encourage good attendance. Attendance across school to improve. New attendance system deployed. Walking bus.	We have a number of learners who have attendance below 90%. HT and FSW work closely to ensure families have the support they need to enable children to attend school (social care, early help and SPA referrals are made accordingly).	Whole school initiative.	£500
