Dear parents and carers,

Change from September 2023 to the length of the school day and childcare from 8am until late.

We have consulted on changing the school day and approved new times of **8.50 am** and **3.20pm**. The new times will begin on Tuesday 5th September 2023. I hope the changes will be beneficial to the school community and have a positive effect on your child's education.

The FREE Breakfast club will still go ahead every morning but now start at 8 am.

There will also be an After School Provider called **Peak Sport** who will run a paid provision for parents. Peak Sport provides a service fully independent of Swalwell Primary and all bookings, questions and queries can be directed to the link to the website, email or telephone number.

info@peak-sport.co.uk or 0191 704 2022.

For parents, this means we will be open from 8am until 5.30, Monday to Thursday, and 8am until 5 pm on a Friday, to provide a fully affordable wraparound care facility within school.

There will still be after school clubs for children to attend free of charge, which will be staffed by Swalwell staff. Numbers will be limited and if a child does not attend a session their place will be given to a child on the waiting list, unless it is due to illness.

If you have any questions regarding the above please contact school or Peak Sports using the link above.

Yours sincerely

Mrs R Hocking
Headteacher
